

NEW  
PILOT PROGRAM

# MT. HOOD KIWANIS CAMP FAMILY CAMP

SUNDAY AUGUST 17TH - WEDNESDAY AUG 20TH

• 2014 •

## WHY: A PILOT PROGRAM

Thanks to generous grants from the Oregon Community Foundation and the Juan Young Trust, MHKC has the opportunity to expand our menu of programs, by testing a pilot for Family Camp. Working alongside the families who participate, we will determine how to structure and facilitate this new program. The feedback from families who participate in the pilot year will inform us before we begin offering family camp annually as a permanent part of our service menu. We are excited for this new opportunity for Campers and their families to acclimate and build trust in a new Mt Hood Kiwanis Camp's Program.

## WHAT: FAMILY CAMP

In response to the need for more options for our youngest campers, and to assist with the transition from home to life at camp for their parents, we are offering 3 nights and 4 days of fun activities like: horseback riding, rock wall climbing, swimming, hiking, cook outs, canoeing on Trillium Lake and more!

## WHO: FUTURE CAMPERS AND FAMILY

Campers must be between ages 8 and 12. Family must have no one younger than 5, and have all members willing to participate in activities. In addition, parents will be required to respond to pre and post-camp surveys, meetings and other feedback opportunities. We need approximately 10 families to participate.

## PRICE: FAMILY OF 4 OR LESS: \$800

Each additional family member: \$100
